Hello Chris,

It is good to hear from you. After reading this essay, I find it an acceptable college level paper.

I wish you well in your ongoing academic work.

Subject: Former Student WSU Writing

Hello Mr Calkins,

My name is Chris Hayward, I was a student of yours in Fall of 2014. I am now attending the Vancouver campus of Washington State University. As part of studies here I am required to submit examples of my writing from throughout my college career. Attached is a copy of a paper I submitted to you for English 101 when I was your student. If you would be willing I would appreciate if you reading it over and emailing back stating whether you deem it "Acceptable" or "Exceptional" for an expected college level.

I hope I didn't email you at too busy a time. I know you likely have finals to deal with this month.

Thanks,

Chris Hayward
